Subject: Tx Regional Haze Discussion

Good Afternoon Tonya,

I hope you are doing well. I understand our folks have been discussing Texas Regional Haze plan development for some time now and you all are on target for an October proposed state rulemaking. We would like to discuss some concerns early on before it gets to far down the road, can we please set up a conference call to possibly work out some potential issues. Time wise, I was thinking a one hour conference call the week of the 25th or first week in June. If convenient for you and your staff I offer the following timeframes. If you prefer to discuss prior to a larger discussion, I am happy to do that as well. Have a good day.

- 5/27 Wed: at 1:00 or
- 5/28 Thur at 2:00 or
- 6/2 Tues at 1:00
